

TERM 3 WEEK 4

EDUCATION WEEK

FROM THE PRINCIPAL'S DESK:

Dear All

We had a great time during our Education Week celebrations. It was such a shame we weren't able to have our community celebrating with us.

We will have to have a huge celebration when all the restrictions ease to make-up for all the BBQ's, class visits and assemblies that we have missed.

We have a collage of photos of the events which we organised for the students. I hope you enjoy them. Thank you to Mrs Tucker for all of her hard work organising the Book Parade Day which culminated in the children being able to take home a selection of books. Thank you to Mrs Semler for all of your behind-the-scenes work helping Mrs Tucker.

I would like to congratulate our Semester 2 Student Representatives. They are Tadhg from Possums, James and Victor from Wallabies, Cooper Page and Gus from Echidnas and Sara and Ryan from Koalas. These students will receive their badges in a short morning assembly next week. We will take photos and email them through to the respective families.

On Tuesday this week we had our school photos. All children looked gorgeous. A huge thanks to Mrs Hillier for doing all the running around and organisation.

As of Wednesday 19th August, I will be taking each Wednesday off as Long Service Leave for Term 3. I will be minding my grandson and I am very excited to be able to help my family out. Ms. Forbes has been selected through Expression of Interest to replace me each Wednesday. I am sure there will be no impact on the school and the school will be in good hands as Ms Forbes does not usually work on Wednesdays and so this will not have an impact on the Possums class.

I have had a few inquiries regarding children seeing the School Counsellor. Due to Covid restrictions, we have not had any counsellor time and I apologise for this. We are now in the process of catching up on our backlog of meetings. Unfortunately, all schools are in the same position as us.

A huge thank you to parents who picked their children up in the rain on Friday. Your cooperation and patience enabled Mrs Hillier and I to safely deliver your kids to your cars.
